

The 5th IEEE International Conference on Management of Innovation and Technology

ICMIT2010

2nd – 5th June 2010 in Singapore

Call for Papers

ICMIT2010 is the 5th International Conference on Management of Innovation and Technology, first initiated by the IEEE Engineering Management Society Singapore Chapter in 2000. ICMIT2010 intends to bring together scholars, industrialists, and entrepreneurs interested in improving their research and development, and business applications in innovation and technology management across a global network of diverse platforms. ICMIT2010 is jointly organized by IEEE Singapore Section and IEEE Technology Management Council.

Submit your paper now to www.icmit2010.org

Important Dates

1. Full paper must be submitted by **1 Jan 2010**.
2. Authors will be notified of a decision by **1 Mar 2010**.
3. For accepted papers, the final camera-ready paper is due on **1 Apr 2010**.
